

# Lever Rivet Tool for Breakstem Rivets incl. Monobolt®

Type 72005

## Features & Benefits

- Heavy duty long arm riveter for easy setting of large rivets
- 4-position telescopic levers extend to maximise leverage and pulling force
- Adjustable front sleeve allows stroke to be set in the most ideal position
- Stem collector bottle avoids safety hazards of loose stems and provides protection against accidental stem ejection
- Easy to change nose tips providing placement of a wide variety of breakstem rivets
- Special nose tips for placement of Monobolt® structural blind rivets included
- Complete set delivered in a metal tool case

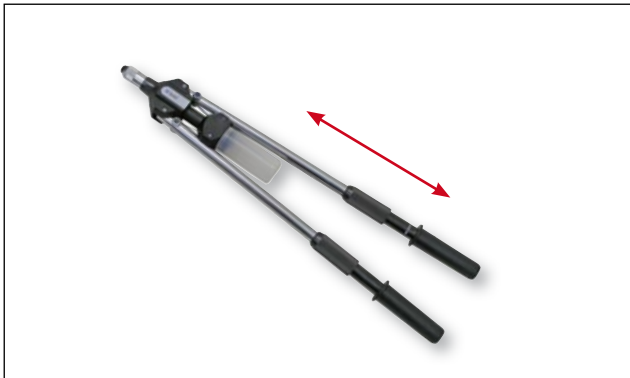

## Specifications

Part Number	72005-00001
